

Orientation Night – Learning Experience Sharing Activity

- **Objectives:** aims to promote a good social interactive relationship between new Year 1 students and their peers, their senior fellow students, their alumni, and their teachers. It is hoped that through the learning-sharing session in the Orientation Night, a good harmony between junior and senior year students might be fostered and developed. Moreover, graduates of the past years were also invited to share with new students about their learning experience, their further studies aspiration and their career path etc.
- **Date:** 4 October 2018
- **Time:** 6:30pm—9:30pm
- **Venue:** Chinese Restaurant, 9th Floor, the City University of Hong Kong
- **Outcomes:** Around 110 Year 1 and Year 2 students, former graduates and teachers joined the Orientation Night. Graduates came to share with new students their learning experience and their key learning strategy so that Year 1 students could be inspired to think of effective learning methods to achieve their new learning goals. A happy and festive atmosphere was observed and a harmonious and friendly relationship between the junior and senior fellow students was achieved.
